## RELEASE OF NEWCREST MINING SUSTAINABILITY REPORT

Newcrest Mining Limited has released its Sustainability Report for the fiscal year 2014. The report is aligned with the Global Report Initiative (GRI) Sustainability Reporting Framework in accordance with the GRI G3 Guidelines. The report demonstrates the Company's commitment to sustainability and focuses on its economic, social and environmental impacts across its operations, key projects and exploration activities.

Ernst & Young conducted assurance in relation to Newcrest's Sustainability Report and a copy of the Assurance Statement is included within. The report suite includes the Sustainability Report, Disclosures on Management Approaches, GRI Data Tables, and GRI G3 Content Index. These documents are accessible on the Company website [www.newcrest.com.au](http://www.newcrest.com.au).

Newcrest encourages feedback on its Sustainability Report. A feedback form is available on the Company website.
